SUBJECT: (1) Submission of Book "Ceremony Inaugurating the CIA Career Staff"
(2) Photographs of Ceremony Inaugurating the CIA Career Staff.

1. The book "Ceremony Inaugurating the CIA Career Staff," which has been embossed by the Technical Services Staff in accordance with our previous conversations, is forwarded for submission to the Director.

2. The enclosed envelope contains fifteen photographs which were taken on 27 April at the ceremony inaugurating the CIA Career Staff. These photographs are forwarded for the Director's autograph. The name of the respective participant is on the back of each photo.

3. [REDACTED] a participant in the inaugural ceremony, was not photographed due to the speed with which the ceremony went off. She understands the situation and is only concerned that a retake of the picture would take too much of the Director's time. In lieu of making special arrangements to have the photograph of [REDACTED] taken in the Director's Office, the enclosed photograph of the Director receiving his Notification may be autographed and presented to her, if Mr. Dulles so desires.

4. I suggest that the photos be returned to me and I will see that they are presented in a fitting manner to the individual participants.

MEMORANDUM FOR: Director of Security

SUBJECT: Transmittal of Photographs Autographed by
the Director of Central Intelligence

REFERENCE: My Memorandum dated 8 August 1955 attached

1. Mr. Dulles has autographed fifteen photographs of the ceremony held on 27 April 1955 which inaugurated the Career Staff of CIA. At that ceremony notifications of membership were presented by him to fifteen selected participants and the attached photographs were taken.

2. There is also attached a draft of a proposed letter from Mr. Reynolds, Chairman of the CIA Career Council, transmitting these photographs to the participants on behalf of the Director. It would be much appreciated if you would consider the text of paragraph 3 of the transmittal letter and advise if this is adequate from a security point of view.

3. The transmittal letters will be on the stationery of the Office of the Director and will be unclassified. They will be transmitted to each of the fifteen recipients of the photographs through the Heads of their Operating Components. In this way the DD/P, for example, will be in a position to impose any restrictions for operational reasons on the use or display of the photographs over and above any which you may wish to impose from a security point of view. It would be much appreciated if your recommendation and the photographs could be returned to me by the 20th of this month.
